بسمالله ارحمن ارحيم

THIS IS THE FIRST BOOK READERS OF THIS SERIES SHOULD CONSULT. IT EXPLAINS HOW THIS WRITTEN SERIES CAN BE USED TO ~~BENEFIT YOU.~~

BENEFIT YOU.

WHY THIS SERIES IS HANDWRITTEN

THERE ARE SEVERAL REASONS WHY THIS SERIES IS HANDWRITTEN. FIRST, STUDIES AND PERSONAL EXPERIENCE THAT A PERSON'S ~~CRITICAL THINKING WRITES BETTER WHEN DONE ON PAPER~~ IS MORE FOCUSED WHEN WRITING ON PAPER THAN ON MACHINE. THERE ARE LESS DISTRACTIONS WHEN WRITING WITH PEN AND PAPER THAN A PC SCREEN. SECOND, IT WILL BE DIFFICULT TO GET AWAY WITH FORGERY AND TAMPERING WHEN DEALING WITH PHYSICAL, HANDWRITTEN EVIDENCE COMPARED TO A DIGITAL DOCUMENT. NOT ONLY ARE DIGITAL DOCUMENTS MORE LIKELY TO GET LOST THAN ON PAPER; AND, IT IS ALSO EASIER TO GET AWAY WITH THE FORGERY AND TAMPERING OF ~~DOCUMENTS~~ DIGITAL DOCUMENTS IN COURT VERSUS A HANDWRITTEN ONE. CRYPTOGRAPHIC SIGNATURES ARE DIFFICULT FOR A LEGAL JURY TO UNDERSTAND. FOR AN EXCELLENT DISCUSSION ON WHY, PLEASE READ THE ONLINE ARTICLE "A Comparision of Digital and Handwritten Signatures" BY DAVID FILLINGHAM (Paper for MIT 6.805/STS085: Ethics and Law on the

06/03/2023

Electronic Frontier, Fall 1997: https://groups.csail.mit.edu/mac/classes/6.805/student-papers/fall97-papers/fillingham-sig.html)

HANDWRITTEN SIGNATURES CONTINUE TO BE ACCEPTED IN COURT TO THIS DAY. AT THE END OF EACH PAGE IN THIS SERIES WILL BE MY, TANVEER SALIM'S, INITIALS BEFORE THE PAGE NUMBER. COURTS AROUND THE WORLD CAN VERIFY THAT THE HANDWRITTEN SIGNATURE AT THE FRONT OF EACH BOOK AND MY HAND-SIGNED INITIALS ON EACH PAGE MATCH HAND-SIGNED LEGAL DOCUMENTS I HAVE HAND-SIGNED THROUGHOUT MY LIFE—INCLUDING FEDERAL TAXES, STATE TAXES, AND LEGAL CONTRACTS. ARTIFICIAL INTELLIGENCE WILL BECOME MORE ADVANCED AT FORGING HANDWRITTEN SIGNATURES.

THE SECOND DEFENSE IS FORENSIC LINGUISTICS. COURTS APPLY THIS SCIENCE TO DETERMINE FORGERIES AND PLAGIARISM. IN FORENSIC LINGUISTICS, EXAMINERS COMPARE SIMILARITY IN VOCABULARY, PHRASES, AND MAJOR VIEWPOINTS TO DETERMINE IF A DOCUMENT WAS FORGED UNDER THE NAME OF SOMEONE ELSE. FOR MORE INFORMATION, PLEASE CONSULT "Forensic Linguistics, 3rd Edition" by ~~John Olsson and~~ JOHN OLSSON AND JUNE LUCHJENBROERS BY BLOOMSBURY ~~PUBLICATIONS.~~ ACADEMIC. FORENSIC LINGUISTICS HAS BEEN USED TO IDENTIFY FORGERY IN THE HEBREW BIBLE, NEW TESTAMENT BOOKS, FORGERIES IN COMMENTARIES OF SACRED TEXTS AND THEIR HISTORY—SUCH AS THE WORKS OF FLAVIUS

06/03/2023 TS

JOSEPHUS, AND MORE IN RELIGIOUS ACADEMIA. ALTHOUGH FORENSIC LINGUISTICS CAN BE USED ON TYPED DOCUMENTS JUST AS EASILY AS ON HANDWRITTEN DOCUMENTS, BOTH FORENSIC LINGUISTICS AND HANDWRITING ANALYSIS CAN BOTH BE APPLIED AS EVIDENCE IN COURTS. BUT FOR TYPED DOCUMENTS ONLY FORENSIC LINGUISTICS CAN BE APPLIED. DIGITIZED SIGNATURES CAN BE COPIED AND PASTED WHEN THE SIGNATURE WAS MADE WITH A TOUCHPAD STYLUS USED ON A DIGITAL SCREEN. FOR MORE INFORMATION ON THIS PLEASE CONSULT THE AMERICAN BAR ASSOCIATION'S ARTICLE ON FORGING ELECTRONIC SIGNATURES: "Electronic Signatures: Not So Fast" - AMERICAN BAR ASSOCIATION (https://americanbar.org/groups/litigation/committees/commercial-business/practice/2019/electronic-signatures-contracts-agreements/).

INSTEAD OF RELYING ON ELECTRONIC SIGNATURES, UPLOADED PHOTOCOPIES OF PHYSICAL, HANDWRITTEN MANUSCRIPTS THAT HAVE MY SIGNATURE AND DATE ARE MUCH HARDER FOR HUMAN AND MACHINE TO FORGE. PHOTOCOPIES OF PHYSICAL, HANDWRITTEN MANUSCRIPTS CAN BE FOUND AT: https://archive.org/details/@tanveer_anwar_salim?tab=web-archive

IT WILL BE DIFFICULT FOR HUMAN AND MACHINE TO GET AWAY WITH FORGING A PHYSICAL, HANDWRITTEN MANUSCRIPT HAND-SIGNED, HAND-DATED, AND KNOWN TO HAVE BEEN UPLOADED JUST AS LONG AS THE MOST RECENT HANDWRITTEN DATE OF THE LAST PAGE OF THE MANUSCRIPT.

06/03/2023

FORENSIC EXAMINERS CAN ALSO VERIFY THE AUTHENTICITY OF A PHYSICAL, HANDWRITTEN MANUSCRIPT BY VERIFYING THAT THE PHYSICAL MATERIALS USED TO COMPOSE THE HANDWRITTEN MANUSCRIPT MATCH WHAT WAS EXPECTED. THIS WRITTEN SERIES WAS WRITTEN USING PHYSICAL, ACID-FREE, WOOD-FREE, AND MADE FROM 100% RECYCLED COTTON. PAPER MATERIAL AS DESCRIBED IS USEFUL FOR ARCHIVAL PURPOSES.

PLATINUM CARBON BLACK INK WAS USED SINCE IT IS WATERPROOF, ALKALINE-BASED, LIGHTFAST, RESISTANT TO FADING FROM EXPOSURE TO ULTRAVIOLET RADIATION, RESISTANT TO ISOPROPYL ALCOHOL, ACETONE, AND MINERAL SPIRITS. CARBON INK HAS BEEN USED TO WRITE SOME OF THE OLDEST HANDWRITTEN DOCUMENTS IN THE WORLD INCLUDING THE DEAD SEA SCROLLS.

FOR MORE INFORMATION ON THE PROPERTIES OF Platinum Carbon Black Ink AND ITS RESISTANCE TO FADING AND ERASURE, PLEASE SEE JetPens BLOG ARTICLE "The Best Permanent Inks" — December 1, 2020 (https://www.jetpens.com/blog/The-Best

FOR MORE INFORMATION ON THE INK USED TO WRITE THE DEAD SEA SCROLLS PLEASE SEE THE ARTICLE "THE BLACK INK OF THE QUMRAN SCROLLS" BY YORAM NIR-EL AND MAGEN BROSHI PUBLISHED BY Brill IN THE "Dead Sea Discoveries" Journal.

THIS JOURNAL ARTICLE CAN BE FOUND AT JSTOR AT: (https://www.jstor.org/stable/4201558).

FOR THIS BOOK SO FAR — AT LEAST UNTIL FURTHER

USING CRYPTOGRAPHIC SIGNATURES TO VERIFY ONLINE UPLOADS

TO HELP READERS VERIFY THE INTEGRITY AND AUTHENTICITY OF ONLINE UPLOADS EACH ONLINE UPLOAD WILL BE SIGNED WITH A CRYPTOGRAPHIC DIGITAL SIGNATURE. ALTHOUGH COURTS DO NOT USUALLY ACCEPT DIGITAL SIGNATURES ALONE THE PUBLIC KEY FINGERPRINT WILL BE HAND-COPIED INSIDE A HANDWRITTEN MANUSCRIPT WHOSE PHYSICAL WRITING MATERIALS WILL BE DOCUMENTED, HAND-DATED, AND HAND-SIGNED BY MYSELF, TANVEER SALIM.

UNTIL FURTHER NOTICE THE CRYPTOGRAPHIC DIGITAL SIGNATURE WILL BE Edwards DIGITAL SIGNATURE ALGORITHM, CURVE 25519 GENERATED BY GnuPG VERSION 2.2.40 THAT USES libgcrypt 1.10.1-Unknown © 2022 g10 Code GmbH.

THE PRIVATE KEY WILL HAVE THE SIGN, CERTIFY, AND AUTHENTICATE TOGGLED. THE KEY WILL EXPIRE ON Sat 01 JUNE 2024 06:36:42 PM PDT.

06/03/2023 TS

THE PUBLIC KEY FINGERPRINT OF THIS KEY IS:

DC58 1681 ~~4CE9~~ 4CE9 8150 0012 BF79 FC80 B94F

A3B1 FB49

THE PHYSICAL WRITING MATERIALS ~~THA~~ THAT THE ABOVE WAS WRITTEN WITH IS DESCRIBED ON PAGES 4 AND 5 EARLIER.
